①  $0 \rightarrow 00$      $1 \rightarrow 1101$  \* The key observation to make

②  $00 \rightarrow 100$

$10 \rightarrow 1$

$01 \rightarrow 110$

$11 \rightarrow 01$

③  $00 \rightarrow 1$

$10 \rightarrow 010$

$01 \rightarrow 10$

$11 \rightarrow 000$

about the Post Tag System is that the cases of 0s are principally degenerate meaning that they interrupt the game of tag being played by rule  $1 \rightarrow 1101$ .

\* The purpose of Tag System 2 is to first exemplify the histogram & the length of inductively unique vertices.

\* The purpose of Tag System 3 being to exemplify a special case of degeneracy, following rule  $00 \rightarrow 1$ .

④  $00 \rightarrow 110$

$10 \rightarrow 01$

$01 \rightarrow 01$

$11 \rightarrow 01$

\* Owing to the completely arranged regularity of the rules arise from

$00 \rightarrow 110$ , Tag System 4 is designed to essentially represent a singleway

graph for which two time steps demonstrate the accumulation of the prerequisites for  $00 \rightarrow 110$ .

At a convention of Evil Geniuses, various cocktails were drunk before a dinner of Smoked Hobbit Heart and Crushed Angel Wing Jelly.

- Dark Lords Nine drank Virgin's Blood
- Supervillains Seven had Anti-heroes Delight
- Galactic Overlords Five had Virgin's Blood & Anti-heroes Delight.

Kang The Merciless was the quest of honor, seen by all as the paragon of evil, for he was a Dark Lord, a Supervillain and a Galactic Overlord all rolled into one.
